Following Ford and Chevrolet, Pontiac entered the pony car market in 1967 and came up with one of the best and most successful muscle cars ever produced. Though based on the Camaro chassis, the Firebird offered unique features and high performance, and over its nearly 40 years of production it continued to wow drivers--as it does today. This book details the Firebird's long and illustrious career. With high-quality, detailed color photographs of some of the finer models--both originals and faithful restorations--the book is at once a unique history and
