Calisthenics: Everything You Need To know

It's complicated—and maybe even a little silly—but burpees are one of the best exercises for a reason: They work. Start in a standing position, squat down and put your hands on the ground, kick your feet out and do a push-up. Tuck your feet back under you, and spring up out of your crouch with a leap. That's a burpee.

The 7 Best Exercises for a Full-Body Workout | ACTIVE

1.Lunges Start by standing with your feet shoulder-width apart and arms down at your sides. Take a step forward with your right leg and bend your right knee as you do so, stopping when your thigh is parallel to... Push up off your right foot and return to the starting position. Repeat with your left ...
