Edwin Mullhouse : The Life and Death of an
American Writer ...

It is the story of an 11 year old "genius",
Edwin Mullhouse, who writes a book, Comics,
which the reader never sees. Almost directly
thereafter he dies, most likely killed by his
11 year old biographer in order to complete
the arc of Edwin's life. Almost nothing
happens in the story. The book is not funny,
and does not really have anything to say.

Edwin's life juxtaposes the fresh innocence
of a child's view of the world with very
adult-seeming solemnity, even cynicism. As
viewed through such a double filter,
everything in this life of a child who is a
genius (or genius who happens to be a child)
takes on greater significance.

Waiting for the End examines two dozen contemporary novels within the context of a half century of theorizing about the function of ending in narrative. That theorizing about ending generated a powerful dynamic a quarter-

century ago with the advent of feminist criticism of masculinist readings of the role played by ending in fiction. Feminists such as Theresa de Lauretis in 1984 and more famously Susan Winnett in her 1991 PMLA essay, *Coming Unstrung*, were leading voices in a swelling chorus of theorist pointing out the masculinist bias of ending in narrative. With the entry of feminist readings of ending, it became inevitable that criticism of fiction would become gendered through the recognition of difference transcending a simple binary of female/male to establish a spectrum of masculine to feminine endings,

Accordingly, *Waiting for the End* examines pairs of novels - one pair by Margaret Atwood and one by Ian McEwan - to demonstrate how a writer can offer endings at either end of the gender spectrum.

A master of literary transformation, Pulitzer Prize-winner Steven Millhauser turns his attention to the transformations of love in these three hypnotic novellas. While ostensibly showing her home to a prospective buyer, the narrator of "Revenge" unfolds an origami-like narrative of betrayal and psychic violence. In "An Adventure of Don Juan" the legendary seducer seeks out new diversion on an English country estate with devastating results. And the title novella

retells the story of Tristan and Ysolt from the agonized perspective of King Mark, a husband who compulsively looks for evidence of his wife's adultery yet compulsively denies what he finds. Combining enchantment as ancient as Sheherezade's with up-to-the-minute acuity and unease, The King in the Tree is Millhauser at his best.
