Share. When a close friend or family member dies, it can be difficult for children to express their feelings. I Miss You helps boys and girls understand that death is a natural complement to life, and that grief and a sense of loss are normal feelings for them to have following a loved one's death. Titles in the sensitively presented A First Look At series explore the dynamics of various relationships experienced by children of preschool through early school age.

Singletons reveal the strangest questions they've been...
Leanza was a familiar face on TV in the mid and late '90s -- she hosted several shows, including "Entertainment Tonight" in 1994. The Jacksonville native was first crowned Miss Florida in 1992 ...

Explains why people die and what death means, the purpose of funerals, and how people react when loved ones die.
When two friends—a sock monkey and a plush toy dog—get into an argument during playtime, Monkey gets his feelings hurt and proclaims, “ You are not my friend! ” But when he takes his ball to find someone new to play with, he quickly learns that maybe he hasn ’ t been a very good friend, either.Bestselling author/illustrator Daniel Kirk uses bold and humorous illustrations to convey the important message that sharing and other acts of friendship are two-way streets. Praise for You Are Not My Friend, But I Miss You "Kirk ’ s skillfully paced mix of vignettes, close-ups and long shots guide readers smoothly through this emotional odyssey." --Kirkus Reviews "His frequent use of bold, large-scale drawing captures Monkey ’ s equally outsize temperament, while the emphatic, minimal text is subtly poignant and supremely performable." --Publishers Weekly

"If ever a couple was ' meant to be, ' it ' s Tess and Gus. This is such a witty, poignant, and uplifting story of two lives crisscrossing over the years, with near miss after near miss. . . . I couldn ’ t put it down." — Sophie Kinsella For fans of One Day in December, The Flatshare, and This Time Next Year, a wryly romantic debut novel that asks, what if you just walked by the love of your life, but didn ’ t even know it? "TODAY IS THE FIRST DAY OF THE REST OF YOUR LIFE." Tess can ’ t get the motto from her mother ’ s kitchen knickknack out of her head, even though she ’ s in Florence on an idyllic vacation before starting university in London. Gus is also visiting Florence, on a holiday with his parents seven months after tragedy shattered their lives. Headed to medical school in London, he ’ s trying to be a dutiful son but longs to escape and discover who he really is. A chance meeting brings these eighteen-year-olds together for a brief moment—the first of many times their paths will crisscross as time passes and their lives diverge from those they ’ d envisioned. Over the course of the next sixteen years, Tess and Gus will face very different challenges and choices. Separated by distance and circumstance, the possibility of these two connecting once more seems slight. But while fate can separate two people, it can also bring them back together again. . . .

NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, " the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one " (The Washington Post), about what happened after she checked off all the boxes on a successful life ' s to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she ’ d cracked the code: Always be right, and you ’ ll always be happy. But once she ’ d completed her life ’ s to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She ’ d done everything " right " but still felt all wrong. What ’ s the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a " frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more " (Southern Living). She offers up her own stories to show that identity crises don ’ t happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this " warm embrace of a life lived imperfectly " (Esquire), Philpott shows that when you stop feeling satisfied with your life, you don ’ t have to burn it all down. You can call upon your many selves to figure out who you are, who you ’ re not, and where you belong. Who among us isn ’ t trying to do that? " Be forewarned that you ’ ll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker moments. This is a book you ’ ll want to buy for yourself and every other woman you know " (Real Simple).

Young children often experience anxiety when they are separated from their mothers or fathers. A young guinea pig expresses her distress when her mother and father go away. "Missing you is a heavy, achy feeling. I don't like missing you. I want you right now!" Eventually the little guinea pig realizes that sometimes she and her parents can't be together. When that happens, she knows that others can help. "They can snuggle with me or we can play. It helps me to be warm and close to someone. They remind me that you'll be back."

A heartbreaking—yet ultimately uplifting—epistolary novel about family, religion, and having the courage to be yourself. "P.S. I Miss You is so moving! Evie's quiet strength and fierce determination are an inspiration. " —Ann M. Martin, author of Rain Reign and the Baby-Sitters Club "Jen Petro-Roy has created a character with the potential to be as iconic as Judy Blume's Margaret." —Erin Dionne, author of Notes from an Accidental Band Geek Evie is heartbroken when her strict Catholic parents send her pregnant sister, Cilla, away to stay with a distant great-aunt. All Evie wants is for her older sister to come back. Forbidden from speaking to Cilla, Evie secretly sends her letters. Evie writes about her family, torn apart and hurting. She writes about her life, empty without Cilla. And she writes about the new girl in school, June, who becomes her friend, and then maybe more than a friend. Evie could really use some advice from Cilla. But Cilla isn ’ t writing back, and it ’ s time for Evie to take matters into her own hands. P.S. I Miss You by Jen Petro-Roy is a heartfelt middle grade novel dealing with faith, identity, and finding your way in difficult times. " A touching story of sisterly devotion and self-discovery. Readers will cheer on Jen Petro-Roy ’ s sweet, strong protagonist as she overcomes challenging family circumstances to embrace her own identity." — Barbara Dee, author of Star-Crossed "A heartbreaking but empowering story that ’ s impossible to forget... Readers will love Evie ’ s smart, funny voice and will recognize themselves in her worries, her questions, and her hopes." —Kate Messner, author of The Seventh Wish

Captain Patrick J. Brown of the FDNY had an uncanny ability to be exactly where he was needed at exactly the right time, most especially on 9/11/2001, when he perished, surrounded by scores of burn victims he was trying to evacuate from the World Trade Center. Everyone who knew Pat agreed that he would have been nowhere else that day. And yet, Pat was much more than a firefighter. Pat was a yoga devotee. A Black Belt in karate who taught the blind. An accomplished boxer. A USMC Vietnam War vet. A Broadway musical theatre buff. And throughout it all, a spiritual seeker. Many people whose lives he touched shared their stories and memories with his close friend and former fiancée. The result is an intimate and moving book, with first-person narratives illustrating Pat's deep and varied life. Idiosyncratic, personal memories blend with career stories that illustrate what made him such an intuitive, beloved friend, and such a legend in the FDNY. He inspires us all. Proceeds go to Bent On Learning.

As a woman lies at death's door in hospital, her touching story, encapsulated in her diaries, springs back to life. In Miss You Forever, Josephine Cox writes a spell-binding saga of hidden lives and lost loves. Perfect for fans of Rosie Goodwin and Dilly Court. One winter's night, in the coal-hole in her yard, Rosie finds that a woman sheltering there has been severely beaten by thugs. At a glance, Kathleen looks like an unkempt, aged vagabond who tramps the roads carrying all her worldly possessions in a grubby tapestry bag. Her only friend is the mangy old dog who accompanies her; the sum of her life is in the diaries she so zealously guards. Yet close up, Rosie can see that Kathleen has a gracious beauty - the 'look' of a respectable lady of means. In hospital, fighting for her life, yet moved by Rosie's care and compassion, Kathleen entrusts the diaries to her, urging her to look at them. There, in the soft glow of the lamp, Rosie reads a heartrending tale of stolen dreams, true love, heartache and loss. A tale that, somehow, must have a happy ending... What readers are saying about Miss You Forever: 'Loved this book. The characters are really likeable and a connection is made with them... It's really well written with lots of twists and turns. Well worth reading' 'It's one of these books which, once you start, you can't put down. Great story. Was in tears at the end, but it was tears of joy. I haven't enjoyed a book so much in years. I can highly recommend it' 'Quite easily one of the best books I have ever read'

Thirteen-year-old Tina Dubois and her identical twin sister, Cilla, are extremely close and yet different personalities, and when Cilla is suddenly killed, Tina and her family struggle to come to terms with the loss.

An irresistable and hilarious collection of New York Times bestselling author Lucy Knisley's cartoons about new motherhood. Lucy Knisley is one of the great memoirists of the graphic novel format. Following the completion of her pregnancy memoir Kid Gloves (and the birth of her baby), Lucy embarked on a new project: documenting new motherhood in short, spontaneous little cartoons, which she posted on her Instagram, and which quickly gained her a huge cult following among other moms. The best of those wildly popular little cartoons are collected in this adorable gift book, Go to Sleep (I Miss You), a perfect read for expecting parents, new parents, and anyone who loves funny, relatable comics storytelling.
