Het tweede deel in de New York Times en USA Today-bestseller dark-romancetrilogie Ontvoerd op haar achttiende. Vijftien maanden gevangengehouden. Zo zwart-op-wit ziet het eruit als een kop in een sensatiekrant. En ja, ik ben ervoor verantwoordelijk. Ik heb haar gestolen. Nora, met haar lange, donkere haar en haar zijdezachte huid. Ik heb een zwak voor haar, een obsessie. Ik ben geen goed mens. Dat heb ik ook nooit beweerd. Ze kan van me houden, maar ze kan me niet veranderen. Ik kan haar daarentegen wél veranderen. Mijn naam is Julian Esguerra, en Nora is van mij.

Book 2 in the New York Times and USA Today Bestselling Dark Romance Trilogy Abducted at eighteen. Held captive for 15 months. It reads like one of those headlines. And yes, I did it. I stole her. Nora, with her long dark hair and silky skin. She's my weakness, my obsession. I'm not a good man. I never pretended to be one. She can love me, but she can't change me. I can, however, change her. My name is Julian Esguerra, and Nora is mine to keep. \*\*\*Keep Me is the sequel to Twist Me, told from Nora & Julian's POV.\*\*\*

\*\*\*For a limited time, get the first two books in the USA Today bestselling dark romance trilogy in one convenient bundle!\*\*\* A seductive, thrilling tale of abduction and dark love . . . On the eve of her eighteenth birthday, Nora Leston meets Julian Esguerra, and her life changes forever. Stolen away to a private island, she finds herself at the mercy of a powerful, dangerous man whose touch makes her burn. A man whose obsession with her knows no bounds. Her enigmatic captor is as cruel as he is beautiful, yet it's his tenderness that devastates her most. Drawn into his dark world, Nora must find a way to survive . . . and protect what remains of her heart.

It's right there in the Book of Job: "Man is born unto trouble as the sparks fly upward." Suffering is an inescapable part of the human condition—which leads to a question that has proved just as inescapable throughout the centuries: Why? Why do we suffer? Why do people die young? Is there any point to our pain, physical or emotional? Do horrors like hurricanes have meaning? In *Seven Ways of Looking at Pointless Suffering*, Scott Samuelson tackles that hardest question of all. To do so, he travels through the history of philosophy and religion, but he also attends closely to the real world we live in. While always taking the question of suffering seriously, Samuelson is just as likely to draw lessons from Bugs Bunny as from Confucius, from his time teaching philosophy to prisoners as from Hannah Arendt's attempts to come to terms with the Holocaust. He guides us through the arguments people have offered to answer this fundamental question, explores the many ways that we have tried to minimize or eliminate suffering, and examines people's attempts to find ways to live with pointless suffering. Ultimately, Samuelson shows, to be fully human means to acknowledge a mysterious paradox: we must simultaneously accept suffering and oppose it. And understanding that is itself a step towards acceptance. Wholly accessible, and thoroughly thought-provoking, *Seven Ways of Looking at Pointless Suffering* is a masterpiece of philosophy, returning the field to its roots—helping us see new ways to understand, explain, and live in our world, fully alive to both its light and its darkness.

The New York Times bestselling dark romance trilogy readers are calling "more addictive than *Fifty Shades*." Kidnapped. Taken to a private island. Can Nora escape her enigmatic captor, and does she even want to?

"Darkly addictive and hauntingly beautiful, Peter and Sara's story will stay with you long after you read the final words." —Julia Sykes, USA Today bestselling author He came to me in the night, a cruel, darkly handsome stranger from the most dangerous corners of Russia. He tormented me and destroyed me, ripping apart my world in his quest for vengeance. Now he's back, but he's no longer after my secrets. The man who stars in my nightmares wants me.

Ele é meu inimigo... e minha missão. Uma noite - é só o que deveria ser. Uma noite de paixão crua e primitiva. Quando o avião dele cai, deveria ser o fim. Mas é apenas o começo. Eu traí Lucas Kent e agora ele me fará pagar.
