Personal development coaching aims to evaluate these life changes, whilst assessing your strengths and weaknesses to improve certain areas of your life. Just as an athlete would enlist a coach to train and support them in their sporting goals, a personal development coach is there to support, encourage and teach you expert techniques to make you feel at ease and confident in changes you want to make in your life.

Local Personal development Life Coaches and NLP...

Understanding our own personality and characteristics can be an incredible self-development tool. It can help us understand why certain things make us more stressed than others, it offers clarity on the relationships we ' re in and, overall, encourages greater self-awareness.

Identifying different personality types - Life Coach Directory

A personal development coach is similar to a life coach and wellness coach in many ways. If you were doing personal development coaching with me, I would first help you evaluate where you are and what your life is like now. We do a current life assessment of sorts using time-honored tools of coaching: powerful questions, empowering listening, training and opportunity to really listen to yourself, valid and reliable psychometric assessment tools and "quizzes," and many more!

Personal Development Coach - Positive Changes Life Coach...

I personally believe that personal development coaching is a foundational approach to life success. My personal development coaching approach focuses upon 3 distinct phases: 1. Resolving past significant emotional events . 2. Creating empowering states for the present moment. 3. Building your future legacy

Personal Development Coaching | Personal Development Plan ...

As a qualified Life Coach, I can help you to focus on what success means to you as an individual so that you can then move forward confidently and with a spring in your step. Even better – I can take you away from the paraphernalia of your normal environment and we can talk while we walk.

Liz Walmsley | Life Coach, Personal Development

As a life coach, you'll help clients identify their personal strengths and areas for development. In a similar way to counselling, you'll develop on-going, confidential, one-to-one relationships with clients, but where counselling focuses on deep emotional healing, your concern is in helping clients plan positive goals.
