Melville His World And Work

His acute sense of the man, his wide-angled literary insight, and the range and strength of his grasp of Melville's world enable Delbanco to deliver full-scale the strangest of our literary giants. He also has placed himself in the company of Edmund Wilson, Alfred Kazin and Richard Chase as a trustee of our literature who writes as well as he reads."

The hunting of Herman Melville | Books | The Guardian

Overview. If Dickens was nineteenth-century London personified, Herman Melville was the quintessential American. With a historian's perspective and a critic's insight, award-winning author Andrew Delbanco marvelously demonstrates that Melville was very much a man of his era and that he recorded — in his books, letters, and marginalia; and in conversations with friends like Nathaniel Hawthorne and with his literary cronies in Manhattan — an incomparable chapter of American history.

Melville: His World and Work by Andrew Delbanco, Paperback ...

From the bawdy storytelling of Typee to the spiritual preoccupations building up to and beyond Moby Dick, Delbanco brilliantly illuminates Melville's life and work, and his crucial role as a man of American letters. If Dickens was nineteenth-century London personified, Herman Melville was the quintessential American.

Melville : His World and Work - Walmart.com - Walmart.com

This volume is aptly subtitled "His World and Work" as it deals mostly with Melville's writings and their social and political context. It also has some straight biography, but it appears Melville's life is surprisingly ill-documented; he did not engage in much personal correspondence and led a fairly reclusive life from the 1850s to his death in 1891.

Melville: His World and Work: Amazon.co.uk: Delbanco ...

Melville: His World and Work - Bookshare

"Andrew Delbanco charts Herman Melville's growth from the bawdy storytelling of Typee - the "labial melody" of his "indulgent captivity" among the Polynesians - through the spiritual preoccupations building up to Moby Dick and such later works as Pierre, or the Ambiguities and The Confidence-Man, His Masquerade. And he creates a narrative of a life that left little evidence in its wake ...

After his father's death, Melville left school and went to work as a clerk, spending a week in the summer at his uncle's farm near Pittsfield. In 1839, not yet twenty, Melville went to sea on a...

Herman Melville at Home | The New Yorker

Herman Melville (born Melvill; August 1, 1819 – September 28, 1891) was an American novelist, short story writer, and poet of the American Renaissance period. Among his best-known works are Moby-Dick (1851), Typee (1846), a romanticized account of his experiences in Polynesia, and Billy Budd, Sailor, a posthumously published novella.

Herman Melville - Wikipedia

With Moby-Dick Herman Melville set the standard for the Great American Novel, and with "Bartleby, the Scrivener," Benito Cereno, and Billy Budd he completed perhaps the greatest oeuvre of any of our writers.

-Ted Solotaroff" Delbanco's "Melville" is a reward, a brilliant and nourishing narrative that reaches beyond literary biography to an exuberant cultural history. His voice is strong-at times personal in his fresh reading of Melville's life and work."

If Dickens was nineteenth-century London personified, Herman Melville was the quintessential American. With a historian's perspective and a critic's insight, award-winning author Andrew Delbanco marvelously demonstrates that Melville was very much a man of his era and that he recorded — in his books, letters, and marginalia; and in conversations with friends like Nathaniel Hawthorne and with his literary cronies in Manhattan — an incomparable chapter of American history. From the bawdy storytelling of Typee to the spiritual preoccupations building up to and beyond Moby Dick, Delbanco brilliantly illuminates Melville's life and work, and his crucial role as a man of American letters.

Moby Dick is a novel by American author Herman Melville. It was first published in 1851. It is considered one of the treasures of world literature. The story of the novel tells the adventures of the wandering sailor Ishmael and his voyage on the whaleship Pequod. Pequod is commanded by Captain Ahab. Ishmael soon knows that Ahab seeks one specific whale, Moby Dick, a ferocious, enigmatic white whale. In a previous encounter, the whale destroyed Ahab's boat and bit off his leg. Ahab intends to take revenge. This book, under the series 'Young Reader Classic', tells the story of Ishmael and his voyage in an interesting way. The language used in the book is simple and lucid. The lively and attractive illustrations make the story even more interesting.

A complete collection of Melville's short works of fiction that includes The Encantadas, Bartleby, the Scrivener, Benito Cereno, and Billy Budd

Herman Melville is hailed as one of the greats—if not the greatest—of American literature. Born in New York in 1819, he first achieved recognition for his daring stylistic innovations, but it was Moby-Dick that would win him global fame. In this new critical biography, Kevin J. Hayes surveys Melville's major works and sheds new light on the writer's unpredictable professional and personal life. Hayes opens the book with an exploration of the revival of interest in Melville's work thirty years after his death, which coincided with the aftermath of World War I and the rise of modernism. He goes on to examine the composition and reception of Melville's works, including his first two books, Typee and Omoo, and the novels, short fiction, and poetry he wrote during the forty years after the publication of Moby-Dick. Incorporating a wealth of new information about Melville's life and the times in which he lived, the book is a concise and engaging introduction to the life of a celebrated but often misunderstood writer.

This book explores the writings of Herman Melville across his career and examines the distinctive qualities of his style.

Billy Budd, Sailor and Bartleby, the Scrivener are two of the most revered shorter works of fiction in history. Here, they are collected along with 19 other stories in a beautifully redesigned collection that represents the best short work of an American master. As Warner Berthoff writes in his introduction to this volume, "It is hard to think of a major novelist or storyteller who is not also a first-rate entertainer . . . a master, according to choice, of high comedy, of one or another robust species of expressive humour, or of some special variety of the preposterous, the grotesque, the absurd. And Melville, certainly, is no exception. A kind of vigorous supervisory humour is his natural idiom as a writer, and one particular attraction of his shorter work is the fresh further display it offers of this prime element in his literary character."

Moby Dick is a novel by American writer Herman Melville. The work is an epic sea story of Captain Ahab's voyage in pursuit of Moby Dick, a great white whale. A contemporary commercial failure and out of print at the time of the author's death in 1891, its reputation rose during the twentieth century. D.H. Lawrence called it "the greatest book of the sea ever written." Jorge Luis Borges praised the style: "Unforgettable phrases abound." Today it is considered one of the Great American Novels and a leading work of American Romanticism. The opening line, "Call me Ishmael," is one of the most recognizable opening lines in Western literature. Ishmael then narrates the voyage of the whaleship Pequod, commanded by Captain Ahab. Ahab has one purpose: revenge on Moby Dick, a ferocious, enigmatic white whale which on a previous voyage destroyed Ahab's ship and severed his leg at the knee. The detailed and realistic descriptions of whale hunting and the process of extracting whale oil, as well as life aboard ship among a culturally diverse crew, are mixed with exploration of class and social status, good and evil, and the existence of God. Melville uses a wide range of styles and literary devices ranging from lists and catalogs to Shakespearean stage directions, soliloquies, and asides.

A new account of Herman Melville and the writing of *Moby-Dick*, written by a Pulitzer Prize finalist in Biography and based on fresh archival research, which reveals that the anarchic spirit animating Melville's canonical work was inspired by his great love affair with a shockingly unconventional married woman. Herman Melville's epic novel, *Moby-Dick*, was a spectacular failure when it was published in 1851, effectively ending its author's rise to literary fame. Because he was neglected by academics for so long, and because he made little effort to preserve his legacy, we know very little about Melville, and even less about what he called his "wicked book." Scholars still puzzle over what drove Melville to invent Captain Ahab's mad pursuit of the great white whale. In *Melville in Love* Pulitzer Prize-finalist Michael Shelden sheds light on this literary mystery to tell a story of Melville's passionate, obsessive, and clandestine affair with a married woman named Sarah Morewood, whose libertine impulses encouraged and sustained Melville's own. In his research, Shelden discovered unexplored documents suggesting that, in their shared resistance to the "iron rule" of social conformity, Sarah and Melville had forged an illicit and enduring romantic and intellectual bond. Emboldened by the thrill of courting Sarah in secret, the pleasure of falling in love, and the excitement of spending time with literary luminaries—like Dr. Oliver Wendell Holmes and Nathaniel Hawthorne—Melville found the courage to take the leap from light works of adventure to the hugely brilliant, utterly subversive *Moby-Dick*. Filled with the rich detail and immense drama of Melville's secret life, *Melville in Love* tells the gripping story of how one of our greatest novelists found his muse.

Originally published to promote his French translation of *Moby-Dick*, Jean Giono's *Melville: A Novel* is an astonishing literary compound of fiction, biography, personal essay, and criticism. In the fall of 1849, Herman Melville traveled to London to deliver his novel *White-Jacket* to his publisher. On his return to America, Melville would write *Moby-Dick*. *Melville: A Novel* imagines what happened in between: the adventurous writer fleeing London for the country, wrestling with an angel, falling in love with an Irish nationalist, and, finally, meeting the angel's challenge—to express man's fate by writing the novel that would become his masterpiece. Eighty years after it appeared in English, *Moby-Dick* was translated into French for the first time by the Provençal novelist Jean Giono and his friend Lucien Jacques. The publisher persuaded Giono to write a preface, granting him unusual latitude. The result was this literary essay, *Melville: A Novel*—part biography, part philosophical rumination, part romance, part unfettered fantasy. Paul Eprile's expressive translation of this intimate homage brings the exchange full circle. Paul Eprile was a co-winner of the French-American Foundation's 2018 Translation Prize for his translation of Melville.
