Mark Beck had been a Milady author since the first publication of The Theory and Practice of Therapeutic Massage in 1988. Mark began his professional career as a massage therapist in 1974. He started teaching massage in 1978 and became a massage school owner and director in 1980.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Theory Workbook contains chapter-by-chapter exercises on theory subjects. Included are fill-in-the-blank exercises and illustration labeling exercises. Each workbook chapter begins with a study tip and ends with a list of vocabulary words from the corresponding chapter.

Since 1938, the Milady Standard Cosmetology has been the premier textbook for Cosmetology education. Each subsequent edition has evolved with the changing styles of the era while maintaining a firm foundation in the basic procedures and applications of beauty culture that have endured for generations. Building upon the strong pedagogical features of previous editions, the Milady Standard Cosmetology 2012 is vibrant and colorful to capture the visual learner's interest and focus their attention on the subject matter which is the cornerstone of their education. The Milady Standard Cosmetology 2012 textbook takes advantage of the most sophisticated methods for relaying information, stimulating thought, aiding comprehension, and enhancing retention. This new edition contains a completely revised section on infection control principles and practices, new procedures, and revised and updated chapters written by industry experts, as well as step-by-step procedures demonstrated specifically for left-handed individuals. Educators and students have access to over twenty instructor tools and student supplements which greatly increase the chances for student success and make lesson planning simple. Each supplement has been tailored to fit the exact needs of the cosmetology student and match the changes made to the new edition. The Milady Standard Cosmetology 2012 is the basis for your students' success during their education and will continue to be a valuable resource as they progress through their careers. Milady's Standard Professional barbering is the primary resource for Barbering students preparing for their state licensing exam and a successful career in the professional market. It is the only textbook available that offers an integrated set of supplements to enhance the teaching and learning process. This new edition is the most stunning and versatile barbering education tool in the industry. Packed with hundreds of brand new full-color photos and procedures, students will be provided with the latest in infection control, hair replacement technologies, career preparation instruction and step-by-step shaving. Milady has been the trusted choice of Barbering educators for nearly sixty years and this new edition continues that trend with in-depth and engaging coverage of the most current topics in the profession. Recognized as a recommended resource by the National Certification Board for Massage and Bodywork, this guide features over 700 richly illustrated drawings and updated and expanded anatomy tables. Comprehensive and easy-to-read, this newly updated edition focuses on the essential information needed to start a career as a massage professional. Readers will gain an understanding of the body and its functions and learn massage techniques and therapeutic skills.

Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be

performed in the salon or spa setting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This workbook directly follows the practical information found in the student textbook. The workbook provides detailed, interactive exercises including: fill-in-the-blanks, word review exercises, matching tests, multiple choices tests and review tests designed to help student learn practical procedures and eliminate faulty practices.
