Merely said, the pediatrician questions manual guide is universally compatible past any devices to read. Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example.

This guide is for trainee paediatricians in the UK. Most of the assessments you can undertake are formative - they assist in your development and indicate possible improvements - and are called Supervised Learning Events. Some are summative, and are called Assessments of Performance. These are available in RCPCH ePortfolio. You can read more about each type below.
